\*\*Concourse D Widening Only

 <b>Concourse D Widening</b>	 <b>South Parking Deck Ph1</b>
<p>The Joint Venture Partnership Holder, Moody, Bryson, and Sovereign Construction &amp; Development are conducting an in-person informational session for the Concourse D Widening Project at the Hartsfield-Jackson Atlanta International Airport. This project will increase the overall building footprint by widening the existing concourse from 60 feet to 102 feet. It will also extend the existing concourse to the north and south, increasing the overall length of the concourse by approximately 145 feet.</p>	<p>The Joint Venture Partnership Holder, Austin, Moody, and Bryson, will be constructing the Atlanta South Parking Deck Phase 1, a 6600-car space, cast-in-place structure. The deck is 7 levels with all of level 1 equipped with EV charging stations. In addition, all levels will receive state of the art parking guidance systems. A fully enclosed pedestrian bridge clad with glass and metal panels will lead passengers from the deck to the terminal.</p>
<p><b>Market:</b> Aviation  <b>Location:</b> Hartsfield Jackson Atlanta International Airport  <b>Prequalification:</b> Now  <b>Procurement:</b> Now – Nov. 2025  <b>Construction:</b> Jan. 2023 – Q4 2029</p>	<p><b>Market:</b> Aviation  <b>Location:</b> Hartsfield Jackson Atlanta International Airport  <b>Prequalification:</b> Now  <b>Procurement:</b> April 2023 – March 2024  <b>Construction:</b> Sept. 2023 – Dec. 2026</p>
